

Technical Visit to Exchange Square Forum Redevelopment, Hong Kong

Date of Site Visit: 24 August 2013 (Saturday)

Time: 9:30 am to 12:30 noon

Assembly: 9:15 am sharp at Exchange Square Fountain (See attached photo and map.)

Capacity: 20 (*First come, first served*)

Highlights:

This 5-storey forum building, approximately 35m x 35m on plan, sits on an existing reinforced concrete podium directly above a bus terminus. The cube-shaped building is vertically and laterally supported around its perimeter by an architecturally expressed steel steel diagrid structure. The rotated form results in one corner of the cube cantilevering out by 17m, leading to a striking addition to the high-density concrete jungle at Central.

Support from the client (Hongkong Land Holdings Ltd), the structural consultant (Arup) and the contractor (Gammon Construction Ltd) in arranging this site visit is gratefully acknowledged.

**** CPD attendance certificates will be issued at the end of the visit. ****

Site Rules, Registration and Enquires:

1. This technical visit is free of charge, but participants shall make their own transportation arrangements to the assembly point.
2. Registration is required before 12 August 2013. Please fill in the registration form and liability disclaimer form and return them by **E-Mail Only**.
