Note: Helmets and jackets will be provided. Please wear clothing appropriate for a construction site visit and reasonable shoes for walking on rough ground, e.g. **SAFETY BOOTS**.

**** CPD attendance certificates will be issued at the end of the visit. ****

Project Objective:

To alleviate the traffic congestion problem on the Tolo Highway.

Project Highlights:

1. Widening of the sections of Tolo Highway between Island House Interchange and Tai Hang of approximately 5.7 kilometres long;
2. Widening of the sections of Tolo Highway at Island House Interchange and Lam Kam Road Interchange; widening of the northbound and southbound sections of Tolo Highway at Tai Po North Interchange; and realignment of the associated slip roads;
3. Realignment of a section of Tai Wo Service Road West;
4. Construction and modification of vehicular bridges;
5. Installation of noise barriers along the carriageway; and
6. Provision of a traffic control and surveillance system (TCSS).

This technical visit will contain a presentation of the project details and works progress at the Site Office near Hong Lok Yuen, and a site tour with arranged site transportation for visiting various construction works.

Registration and Enquires:

1. This technical visit is free-of-charge but participants shall make their own transportation arrangements to the assembly point.
