● ABOUT THE PROJECT Contractor: CRBC | Location: Tong Yan San Tsuen

Contract No. YL/2022/01 forms part of the First Phase Development of Yuen Long South, a major new development area intended to support future housing, community facilities and the consolidation of brownfield operations.

The HK\$3.205 billion contract, undertaken by China Road and Bridge Corporation (CRBC), commenced in December 2022 and is scheduled for completion in 2028. Its key works include:

- ✓ Reconstruction of the Tong Yan San Tsuen Interchange
- ✓ Improvement of Shan Ha Road, Long Hon Road and Tong Tai Road
- ✓ Construction and upgrading of bridges, subways and other road infrastructure
- ✓ Box culverts, nullah decking, drainage and sewerage works
- ✓ Retaining walls, slopes, cycle tracks and pedestrian facilities
- ✓ Water mains, utilities, landscaping and environmental mitigation works

● IMPORTANT NOTES

Successful registration is subject to email confirmation. Exact assembly time & station exit will be issued to confirmed participants. The programme may be adjusted subject to email notification.
