

The 4th ASCE Greater China Conference

第四届 ASCE 大中华论坛

First Announcement
【一号通知】

Beijing, China 中国·北京

December 16-18, 2026 2026年12月16日-18日

Host 主办单位:

- ASCE Greater China Section
美国土木工程师学会大中华分会
- Tsinghua University
清华大学

Organizer 承办单位:

- School of Civil Engineering, THU
清华大学土木水利学院

Support 支持单位:

- Civil Engineering Sciences
《土木工程科学(英文)》编辑部

Conference Theme 会议主题:

With the theme of “Intelligent Integration and Interdisciplinary Innovation in Civil Engineering”, the 4th ASCE Greater China Conference focuses on frontier areas such as intelligent construction, green low-carbon development and urban resilience. The conference explores AI-enabled disciplinary advancement and technological innovation in civil engineering. It promotes interdisciplinary integration and discusses key topics including high-performance materials and structures, infrastructure safety and disaster prevention, and extreme environmental actions. Serving as an international academic exchange platform, it facilitates high-quality development of civil engineering. Topics include but are not limited to:

- Civil Engineering + AI
- Intelligent Construction and Engineering Operation & Maintenance
- Low-Carbon Engineering Materials and High-Performance Structures
- Urban Resilience and Engineering Disaster Mitigation
- Interdisciplinary Integration and Education in Civil Engineering

第四届 ASCE 大中华论坛以土木工程智能融合与跨学科创新为主题，聚焦智能建造、绿色低碳与城市

韧性等前沿方向，探索 AI 赋能土木工程学科发展与技术看新，推动多学科交叉融合，研讨高性能材料与结构、基础设施安全防灾、极端环境作用等关键问题，搭建国际学术交流平台，促进土木工程学科高质量发展。主题包括但不限于以下内容：

- 土木工程+AI
- 智能建造与工程运维
- 低碳工程材料与高性能结构
- 城市韧性与工程防灾
- 土木工程跨学科融合与人才培养

Advisory Committee 顾问委员会:

Director 主任:

NIE Jianguo 聂建国

Professor at THU 清华大学教授
Academician of Chinese Academy of Engineering 中国工程院院士
Recipient of ASCE Greater China Lifetime Achievement Medal
ASCE大中华区终身成就奖章获得者

Members 委员: (按姓氏拼音排序)
